

Homework in St. Ava Class

Sincere apologies for not giving out the homework last week. As you may have known, I was not in school on Friday and unfortunately, it was forgotten. The homework was on the website and I am aware that some children have already completed it. In case your child did not complete the homework, I have extended it for another week to allow children to catch up.

I will set new challenges on Mathletics for those who have completed them. Thank you for your continued support at this busy time of year!

Spelling words

stir	put	mix	get	chop
gently	quickly	slowly	swiftly	carefully

Can you learn these spellings?

Maybe you could write some instructions on something you do at home.

For example:

How to brush your teeth

Or

How to lay the table for dinner

Or

How to tidy your bedroom
