

St. John's
Catholic Primary School

Year 5 – St Genevieve Homework

Sent Out: Friday 12th January 2018

Due in: Tuesday 16th January 2018

English

Learn the talk story at home. Ideas of how you can do this:

- Perform to your parents/siblings
 - Mime the actions
- Do the talk story backwards

Maths

There is no Mathletics this week...

Your task is to design your dream house. The rooms it must include are: 2 bedrooms, kitchen, 1 bathroom, lounge, dining room. The other rooms you choose to include are up to you. Draw an aerial plan of your house. I have put an example below. The way you present your plan is up to you (e.g. on the computer, drawn on a piece of paper).

However, you must include the lengths of all the walls, the perimeter of each room and the area of each room.

Challenge: Can you calculate the perimeter and/or area of the whole house?
